EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a personal interview with Mr. R. William Graham on April 14, 2005.

The application has been amended as follows:

In the specification:

On page 5, line 2, --(i.e., a first retaining member)-- has been inserted after "32".

On page 5, line 7, --(i.e., a second retaining member)-- has been inserted after "42".

On page 5, line 8, --(i.e., first means for permitting)-- has been inserted after "46'.

In the claims:

In claim 1, line 6, "one of said first retaining member and" has been deleted.

In claim 1, line 7, "to permit" has been changed to --for permitting--.

Claims 10, 11, and 13 have been canceled since these claims are drawn to a non-elected species, there being no generic claim.

Claim 15 has been canceled (since the limitation therein is present in claim 1, and therefore claim 15 does not further limit claim 1).

In claim 16, line 5, "one of said third retaining member and" has been deleted.

In claim 16, line 6, "to permit" has been changed to --for permitting--.
